AZUL TOUCH
SIGNATURE
MASSAGES

Total Tranquility Massage

80 min

Give tranquility to your physical and etheric body, choose one of our aromatized sea breezes and essential oils to complement this therapy that combines aromatherapy and reflexology to take you to a deep state of relaxation.

Deep Massage

with CBD Oil

100 min

The active CBD in cannabis works directly on the nervous system providing peace and relaxation for your mind, while the pressure of a deep tissue massage will help you to release muscle tension.

Finally, CBD oil is applied on your scalp or third eye with a strong pressure massage for a total relaxation of your body and mind.

Serenity Massage

80 min

Gentle massage with pindas (herbal compresses) which are made of a mixture of herbs; when combined with each other, potentiate their benefits.

These pindas are heated up to release their aromas and by being gently pressed on your muscles will help you to achieve a full serenity mood.

Fresh Breeze Massage with Cold Stones

80 min

A scented cold turban will be wrapped around your head to lower the temperature, then a cool sea breeze will be sprayed all over your body to soothe your sunburned skin. You will be then ready to relax with a full-body medium pressure massage with the cold stone technique combined with aloe Vera for a full refreshing effect.

If you are allergic to Aloe, ask one of our spa concierges for an alternative ingredient.
